

Service guarantee extension

Jura Hospitality Centre Barcelona

1. For only 45 euros (VAT included) Jura Espresso S.L.U. offers you 12 months of guarantee on the repair of your JURA home machines from the date of invoice of the last reparation. This warranty extension is valid only for individuals and for the same machine for which this service has been contract, not being transferable to third parties.
2. To contract this service can only be done once the coffee machine has been repaired and before it leaves our premises.
3. The terms of this warranty extension (that it is not an extension of the 25 months of the manufacturer's warranty) are the same as those of the official guarantee, covering all defects that may arise from normal use, provided that following conditions are met:
 - a. The coffee machine belongs to the home line of JURA and does not have a professional use.
 - b. No roasted coffee or coffee with additives is used.
 - c. No damages produced from external factors (frost, fire, power surge...), from foreign bodies in the grinder (stones, Wood chips, staples ...) or from the use of abrasive products when performing the maintenance programs of the coffee machine.
 - d. The maintenance programs requested by the coffee machine are carry out with original JURA maintenance products.
4. The replacement of external or aesthetic elements such as lids, trays, ground containers, frothers, etc. will invoiced separately, as they are not included in the 12-month repair guarantee.
5. To apply this warranty reparation extension, only the contribution of the original invoice in which the "Extension of Guarantee" (or legible copy) was paid will be valid.
6. The Service guarantee extension covers spare parts, labour and taxes in force.
